## **DETAILED ACTION**

# Claim Rejections - 35 USC § 112

Claims 1-5 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

As concerns claims 1, 3, and 5, the phrase "rings being seamed to be between", i.e., claim 1, line 21, is not understood. Further, the word "ring", i.e., claim 1, line 23, should be "rings". Further, the phrase "being at the same axial line", i.e., claim 1, lines 23-24, is not understood. Further, the phrase "bank" and "banks", i.e., claim 1, line 32, lack antecedent basis, and the entire phrase "into one bank of the first rings and the second banks" is not understood. Therefore, the claims are rendered as vague and indefinite.

## Allowable Subject Matter

Claims 1-5 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action.

The following is an examiner's statement of reasons for allowance:

As concerns independent claims 1, 3, and 5, structural limitations pertaining to the *curtain* comprising the combination including the *extending portions* including *folding portions, rings, connecting bags*, and wherein the folding portions are 'connected' to the bags, the bags receiving the supporting portions, and the rings being

connected to the bags; and the lower extending portion including a **sleeve** between the respective bags, along with the other structural limitations are neither taught nor suggested by the prior art of record.
